

## Who are Burley's Homecare?

Burley's Home Care is a locally based care and support organisation providing home care and supported living services to a wide range of people.

*We're here to help you keep your independence*

## 3 Steps to Help at Home

### Step 1

Contact us by telephone on 01425 470411 or email us at [burleys@burleyshomecare.co.uk](mailto:burleys@burleyshomecare.co.uk)

### Step 2

We will visit you at home to discuss your care needs. If you decide to use our service we will tailor a care plan with you to suit your specific needs. We will do all we can to assist you to remain living at home as independently as possible.

### Step 3

The service starts on the day and at the time that suits you

and supported living services

## There is an alternative to a Care Home

Care at home: a range of services which are designed to help you remain independent and stay in your own home.

There is a choice between being self-sufficient and going into a residential home

## What you can expect

A good old fashioned service keeping you at the heart of everything we do.

Sometimes a little bit of help can go a long way. With our service there is no reason why you cannot continue to live a full, interesting life and stay within the comfort of your own home. There is nothing like the peace of mind of feeling secure behind your own front door.

Care at home can range from a couple of visits a week to daily visits to help with everyday tasks

## What we do

We offer a unique service of tailor made support where we listen to your needs and respect your wishes throughout. After all your care and support should be about what you want.

Our care can be wide ranging and flexible – every aspect dedicated to promotion of independent living.

### Our staff can assist you at home with:

- ✓ Personal Care – getting up or going to bed, including washing, bathing, showering and dressing
- ✓ Meal preparation and/or help to eat
- ✓ Medication support
- ✓ Practical household tasks including vacuuming, dusting and cleaning
- ✓ Complex personal care including peg feeding, catheter care etc

### Out of the home our staff can assist with:

- ✓ Community driver services
- ✓ Taking you out for coffee or lunch
- ✓ Attending appointments and activities
- ✓ Respite care at home
- ✓ Sitter services

And lots more – give us a call to find out if we can support you in any way

✓ Safe ✓ Caring ✓ Well-led ✓ Effective ✓ Responsive

## Home Care and Support with a Difference

Being an independent family run company we know the importance of caring for our loved ones, to provide home care the right way with the personal touch

The Burley's philosophy is all about being on the ground, meeting service users personally; this way we get to know and develop a personal relationship with all of our clients outside the office.

We hand pick our staff and fully train them to deliver the best care with a friendly face.
